

## **G.D. GOENKA PUBLIC SCHOOL, SILIGURI**

### **STANDARD VII**

*Dear Achiever,*

*Ralph Waldo Emerson once wrote : The Earth Laughs in Flowers*

*The underlying theme for this holiday home work is these beautiful creations of God , splendid in their colour and fragrance which never cease to delight us. In turn it is our duty to preserve them and the earth that mothers them!*

*Through this project let us seek to cherish what we have and conserve the beauty of Nature forever*

#### **GENERAL INSTRUCTIONS:**

1. Complete your assignments using A4 sheets. Write the subject in the centre of the page.
2. Write your name, class and section on the top right hand side on each sheet.
3. Use the first page of this file as the Cover Page of your Holiday Homework or design one yourself.
4. Submit your holiday home work, on re-opening of School, neatly put together in separate folders for each subject that you may make of recycled paper
5. Name the source if you have used the internet for research.

## ENGLISH:SAYING IT WITH FLOWERS

This fun filled activity project is all you need to make your summer break more enjoyable and at the same time educational!

Make a folder of about 10 A-4 sheets. Make an attractive title page and provide a suitable title of your choice to the assignment.

Use 2 A-4 sheets and make a **colourful scrapbook** on the following topic: “The Earth Laughs in Flowers” (Go and explore the world of flowers! You may draw or use pictures or make your own flower using recycled material!)

Use 1 A-4 sheet to write a **short poem** on nature/flowers. Provide it with a suitable title. You may use some of the Figures of Speech that you have learnt in your class.

Use 1 A-4 sheet and as explained and discussed in class, **interview** any **four members** of your family or neighbourhood asking them about their opinions on flowers (eg. favourite flower, colour, what they love about that particular flower, etc.) and why they feel that it plays an important role in making our/their life a happy one.

Note:

The homework must be original.

Neat, creative and honest presentation would be highly appreciated.

Use 1 A-4 sheet and title it “**The Witches- Roald Dahl**”

Read the first 7 Chapters and write a short summary within 100-150 words.

You may divide and use the A-4 sheet as per your requirement.

Memorise the poem that has been assigned to your section and given to you in the class, in preparation for the Choral Recitation Competition to be held on your return to School. The text of the poems will be also uploaded in the School App.

SECTION	POEM
A	Matilda
B	Two's Company
C	Cloony The Clown
D	Cinderella

Being a responsible citizen, it is the time now to be awakened and save the indispensable resource for life. Research, explore, wear the cap to come up with ideas of how we can save, reuse and recycle water in our daily life.

# SOCIAL SCIENCE

## Layers of the Earth Model and Story Project

**Purpose:** Make a 3D Model of the layers of the earth

**Materials:** Be Creative! Recycled materials and other ideas are (cloth, paper mache , plastic bottles, etc...) encouraged to reduce cost and get extra credit. Common materials: Styrofoam ball, toothpicks, paper, and paint.

### A. 3D MODEL:

**Your Model must:**

- Be 3-dimensional (3D)
- Have 4 main layers and additional layers
- Be Neat, Complete, Creative, and Colorful

### B. LABELS:

**All parts of the Project must be LABELED on the project.**

**You can use toothpick flags or some other creative way to label each part.**

1. Crust
2. Inner Core
3. Outer core
4. Mantle
5. Continental Crust
6. Oceanic Crust
7. Lithosphere
8. Asthenosphere

### C. DESCRIPTIONS Key:

The **Descriptions Key** must be an **attached piece** of the Project that includes a full description of the 4 main layers of the Earth. This can be a cardboard chart, index cards, Ribbon attached to the model, or some other creative idea for describing each layer. A plain paper key will not be acceptable.

**Descriptions of the 4 MAIN Layers should include:**

- 1.Distance across (thickness)
- 2.State of Matter: Solid, Liquid, or Semi-plastic
- 3.Temperature
- 4.Composition (What materials is it made of?)

### D. STORY:

**Write a short creative story** about traveling to the center of the earth. Start on the Crust and describe your journey as you travel through each layer. What do you see? How do you feel? This story should be a part of your project so that people can follow your journey through your diagram. This story should be as factual as possible. Story must be typed or neatly written.

You will be assessed on the following criteria:

- \*3D Model
- \*Description key
- \*Labels
- \*Story
